The **Water NSW forms are uniquely numbered** and can be downloaded from their website at www.waternsw.com.au/Customer-Service/Forms.

Please note a usage based charge will also be payable to Water NSW for each ML where water is being traded out of the NSW system. Please note that WMI does not determine nor has any ability to change/waive this fee.

5. Upon the receipt of **all required forms, and the WMI fee**, (please refer to Schedule of Charges (Administration) for current fee) WMI will complete and sign its section of the Water NSW form (and other Water Authority form if applicable).
6. The customer can then take the completed form to the NSW Office of Water, Buronga Office (Midway Estate) for lodgement.

WMI will **only allow the external transfer of water where an account is in arrears if the transfer is conducted via an agent with which WMI has an agreement over such matters.** In such cases, **the amount outstanding will be sent to WMI from the funds generated by the transfer of water to pay the debt** and the remaining amount will be sent to the owner from by the agent.

NOTE: If a property has an Arrangement, the Arrangement is overridden by the sale.

2. The party/s to this Application are responsible for all costs and expenses associated with this Application and agrees to observe and perform any and all conditions, which are imposed on WMI by Water NSW in approving this Application.
3. The transfer will only be approved by WMI upon the payment of the fee, and the provision of all of the required information.
4. All owners must sign any changes in the number of ML and price nominated or the transfer will not be allowed.
5. If any of the above Conditions have not been met in full, the Application Form will be returned to the owner/agent.
