Internal Temporary Transfer

Procedure for Transfer:

1. Submit to Western Murray Irrigation Limited (WMI) a completed 'Application for a Temporary Internal Transfer', which requires information regarding the Transferor/Seller and the Recipient/Buyer. If there are more than four owners, an "Additional Owners Schedule" must be completed, attached to and returned with the Application form.
2. A separate Application has to be submitted for each WMI water account.
3. WMI fee for the conduct of an internal transfer to be paid (please refer to Schedule of Charges (Administration) for applicable fee).
4. Upon the receipt of **both** the required form **and** the fee, WMI will accept the transfer for processing.

Conditions of Transfer:

1. WMI will only allow the transfer of water where an account is in arrears if the transfer is conducted via an agent with which WMI has an agreement over such matters. In such cases, the amount outstanding will be sent to WMI from the funds generated by the transfer of water to pay the debt and the remaining amount will be sent to the owner from the agent.
If a property has an Arrangement, the Arrangement is overridden by the sale.
2. The party/s to this Application are responsible for all costs and expenses associated with this Application and agree to observe and perform any and all conditions which are imposed by WMI in approving this Application.
3. Signing:
 - 3.1 **Transferor/Seller:** All owners must sign this form.
 - 3.2 **Recipient/Buyer:** This section of the form may be completed and signed by one owner or another party. Where another party is completing the form, the owner's name must be included as well as their relationship e.g. tenant.
4. The transfer will only be approved by WMI upon the payment of the fee, and the provision of all of the required information.
5. All owners must sign any changes in the number of ML nominated or the transfer will not be allowed.
6. If any of the above Conditions have not been met in full, the Application form will be returned to the water allocation holder.

Please refer to Schedule of Charges (Administration) for the applicable WMI fee.

The WMI cut-off for all temporary water trades is at 10:00am 2 business days prior to the date given by Water NSW as their cut-off date.
