EXTERNAL TEMPORARY TRANSFER OF ALLOCATION OUT OF WMI

Procedure for Transfer:

1. Submit to Western Murray Irrigation Limited (WMI) a completed 'Application for a Temporary External Transfer Out of WMI'.
2. The applicant must also submit to WMI a Water NSW 'Form 71 for Surface Water Assignment' Application form with ONLY the information regarding the PURCHASER completed (and any other Water Authority's form if applicable). WMI will complete the Seller(s) information section.

The **Water NSW forms are uniquely numbered** and can be downloaded from their website at www.waternsw.com.au/Customer-Service/Forms.

Please note a usage-based charge will also be payable to WaterNSW for each ML where water is to be traded out of the NSW system. Please note that WMI does not determine nor has any ability to change/waive this fee.

3. Upon the receipt of **all required forms, and the WMI fee**, (please refer to Schedule of Charges Administration for current fee) WMI will complete and sign its section of the Water NSW form (and other Water Authority form if applicable).
4. The customer can then take the completed form to the NSW Office of Water, Buronga office (Midway Estate) for lodgement. The Water NSW form can only be lodged by WMI if it is accompanied by a cheque made payable to Water NSW, or if an online payment for the transfer has been made to Water NSW.

Conditions of Transfer:

1. WMI will only allow the transfer of water where an **account is in arrears** if the transfer is conducted with an agent/broker with which WMI has an agreement over such matters. In such cases, the amount outstanding will be sent to WMI from the funds generated by the transfer.

NOTE: If a payment arrangement is in place, the arrangement is overridden by the water transfer.

2. The party/s to this Application are responsible for all costs and expenses associated with this Application and agree to observe and perform any and all conditions, which are imposed on WMI by Water NSW in approving this Application.
3. **All registered account holders must sign this form.** If there are more than four, an 'Additional Owners Schedule' must be completed and attached to this Application. **All registered account holders must initial any alterations** to this form.
4. The transfer will only be approved by WMI upon the payment of the fee, and the provision of all the required information.
5. If any of the above Conditions have not been met in full, the Application Form will be returned to the purchaser/agent.

Please refer to Schedule of Charges (Administration) for the applicable WMI fee.

The WMI cut-off for all temporary water trades is at 10:00am 2 business days prior to the date given by Water NSW as their cut-off date. This is to allow for trade forms to be processed by WMI and lodged with Water NSW in a timely manner.
