Acknowledgement of Access Fee Water Allowance

When a Western Murray Irrigation (WMI) customer holds sufficient quantity of Delivery Entitlements they are charged on a quarterly basis for Access Fee on these entitlements (less 1 for Stock & Garden if applicable).

This Access Fee charge provides a **water delivery allowance** which is used to determine if you will be charged any Water Usage Above Access Fee Allowance Fee in the June invoice.

When a permanent transfer of delivery entitlements occurs, WMI's default position is that the Access Fee Allowance remains on the account where the Access Fee was raised. However, the seller can request that all or part of the allowance be moved with the delivery entitlements.

Note: *The allowance remaining with the seller or moving to the buyer can have financial implications on either party depending on their water usage. You are advised to discuss your individual circumstances with WMI.*
